

WHISPER LINE CUSTOM SOUND SHIELD

SILENT LINE PRESENTS WHISPER LINE CUSTOM SOUND SHIELDS

Silent Line is designing and producing, in house, Custom Build Sound Shields for the Marine sector. Pending on your generator set we design, as shown above, a tailor-made sound shield from steel or aluminium pending on the requirements of the client.

Our Whisper Line sound shields offers a transmission loss (TL) up to 40 dB(A) to ensure silence and comfort in the accommodation areas throughout the Yacht. Our Whisper Line sound shields are supplied with high volume secondary elastic mounting system to guarantee extreme low structure-borne noise levels at the ship structure (foundation) below the sound shield.

If we awakened your interest, please do not hesitate to contact us for more detailed information and pricing.

With Internal Cooling (Fan) System

Also available in the size for CAT C32 generator sets
